

2nd

Hybrid Interfaces

April 10-12, 2017

workshop

Organic
meets
inorganic
semiconductor

Female
meets
male
research

Confirmed speakers: **Francesca Brunetti** (U Rome), **Zsuzsanna Heiner** (HU B),
Katharina Landfester (MPI Polymer Research),
Maria Antonietta Loi (U Groningen), **Lucia Reining** (École polytechnique).

Professional seminars on career development & work-life balance

Plenty of time for open discussions

Collaborative Research Centre 951: *Hybrid Inorganic/Organic Systems for Opto-Electronics*

<http://www.physik.hu-berlin.de/sfb951>

Funded by Deutsche Forschungsgemeinschaft

April 10-12, 2017

Venue

IFA Hotel Graal-Müritz
Waldstraße 1
18181 Graal-Müritz

Transport

Bus transfer from
Berlin Central Station

No costs

Transport, Accommodation,
and meals will be provided
